

MEMORANDUM OF UNDERSTANDING (MOU)

This Memorandum of Understanding ("MOU") is entered into on this ___ day of _____, 20__, by and between:

1. Tabrez (TBZ Labs), hereinafter referred to as the "Developer".
2. _____, hereinafter referred to as the "Client".

1. PURPOSE

The purpose of this MOU is to outline the terms, responsibilities, deliverables, and payment structure for the development of the EduAssist MVP (Session 1).

2. SCOPE OF WORK

The Developer agrees to deliver the following modules as part of the MVP:

- Student & Parent Linking (basic functionality)
- Fee Management (assignment, tracking, payment status)
- Receipt Generation (basic digital/PDF receipts)
- Basic Reports (summary-level insights)
- Attendance (basic present/absent tracking)
- Notifications (basic alerts)

Any features outside the above scope, including but not limited to discovery, admissions, reviews, or payment gateway integration, shall be treated as separate work.

3. PROJECT TIMELINE

The estimated timeline for completion of the MVP is 2.5 months (approximately 10–11 weeks), subject to timely inputs and approvals from the Client.

4. PAYMENT TERMS

The total project cost is ₹70,000, payable in the following milestones:

- ₹21,000 – Advance payment prior to project initiation
- ₹21,000 – Upon delivery of working demo
- ₹28,000 – Upon final delivery and before code handover

5. DELIVERABLES

- Web-based Admin Dashboard
- Mobile Application (Flutter – Parent App)
- Backend setup using Firebase

- Basic deployment support (Play Store)

6. CHANGE MANAGEMENT

Any additional features or changes requested beyond the agreed scope shall require a separate quotation, timeline adjustment, and mutual written approval.

7. CLIENT RESPONSIBILITIES

- Provide timely feedback and approvals
- Provide required data and content
- Ensure timely payments as per agreed milestones

8. DEVELOPER RESPONSIBILITIES

- Deliver features as per agreed scope
- Maintain reasonable code quality and stability
- Provide periodic progress updates

9. HOSTING & OPERATIONAL COSTS

All hosting, infrastructure, and operational costs shall be borne by the Client and are not included in the development cost.

10. CODE HANDOVER

The complete source code shall be handed over only upon receipt of full and final payment.

11. TERMINATION

In case of termination, the advance payment shall be non-refundable. Work completed shall be delivered proportionate to payments received.

12. CONFIDENTIALITY

Both parties agree to maintain confidentiality of all project-related information.
