

EduAssist – Smart School Management System

Building trust between schools and parents through transparency and digital solutions.

Problems in Schools:

- Parents lose fee receipts
- No proper communication
- Lack of transparency in fee tracking
- Manual work creates confusion

Our Solution:

EduAssist is a simple app for schools and parents to manage fees, communication, and student updates digitally.

Key Features:

Parent App: Fee tracking, digital receipts, notifications, complaints

School Panel: Student management, fee records, reports, announcements

Benefits for Schools:

- Reduce manual work
- Increase parent trust
- Organized fee management
- Professional digital system

Pricing:

Affordable monthly plans based on number of students

Special Offer:

2 Months FREE trial for early partner schools
